7. Regulation charges shall be paid by business entities on a quarterly basis to a special fund of the state budget within the first 30 days of the current quarter following the reporting one. Any regulation charges paid in excess of the required amount shall not be refunded and shall be recognized when the regulation charge is paid in the subsequent periods.

Payers of the charge shall submit to the NEURC's regional structural units a report on payment of the regulation charge no later than the second business day following the established due date based on the form as per Annex 2.
