With this Application we agree our data, Article 20 of the Electricity Market Rules, to be verified in the Register of Market Participants and to be published on the EMO website in the Register of Market Participants.				
5. ANNEX TO THE APPLICATION				
The applicant shall be obliged to submit to MPRA, the original or a certified notary copy of the original, the following data and documents:				

1. Current Status issued by the Central Registry of RNM (not exceeding 30 days).
2. Information/Report of the economy financial status of the Applicant issued by the Central Registry of RNM (not exceeding 30 days).
3. License for performing Energy Activity or Decision for entry in the register of foreign traders and suppliers of electricity, unless MPRA is submitted by a consumer.
4. Certificate for issued EIC or EICVP by the TSO, if the applicant shall possess EIC or EICVP code.
5. Certificate from the Public Revenue Office for paid taxes and other public duties prescribed by law (not exceeding 30 days).
6. Certificate on absence of bankruptcy or liquidation proceedings (not exceeding 30 days).
7. A copy of the regulated balance responsibility agreement concluded with the TSO or a statement for balance responsibility by another market participant which previously regulated the balance responsibility, i.e., is entered in the BRP register by the TSO.
8. Statement of authenticity of the Application and the provided data, signed by the person authorized to represent the Applicant.

¹If the Applicant does not possess an EIC or EIC-VP, submits a Request for EIC or EIC-VP along the Application, and EMO shall ex officio on applicant's behalf conduct the application procedure to the TSO for issuance of an EIC or EIC-VP for the applicant.

²EIC-VP - Identification Code Virtual Producer is filled only by applicants who shall participate in the electricity market as an electricity supplier or electricity producer.

* If EMO determines that MPRA is incomplete, within seven working days from the receipt of MPRA, shall notify the applicant and shall set a deadline of 15 days to complete the necessary documentation that is attached to the Request.
